

SEAMORK MARINE

COMPANY PROFILE

About Us.

Seamork Global Limited is a trusted supplier of marine spare parts, ship machinery, and marine equipment, headquartered in Hong Kong. With a strong supply network and logistics partnerships, we deliver genuine, OEM, and reconditioned parts globally — covering the UAE, USA, India, Sri Lanka, Vietnam, Turkey, Canada, and more.

From main engine parts to auxiliary systems and deck equipment, Seamork ensures high-quality, reliable parts for commercial and offshore vessels. Our commitment to quality, competitive pricing, and fast delivery through leading courier and freight partners makes us the preferred marine supply partner for shipping companies worldwide. Whether supplying urgent spare parts or supporting planned maintenance, we are ready to meet the diverse needs of the global marine industry.

Seamork Marine — Delivering Marine Solutions, Globally.

Mission & Vision.

At Seamork, we are dedicated to supporting the global marine industry with reliable, high-quality spare parts and equipment. We believe in delivering more than just parts — we deliver trust, performance, and continuity to every shipowner and operator we serve.

MISSION

Our mission is to provide genuine, OEM, and high-quality marine spare parts with unmatched efficiency, professionalism, and service excellence. We strive to become the preferred partner for shipowners and marine service companies by ensuring fast delivery, competitive pricing, and trusted support, no matter where the vessel is located.

VISION

Our vision is to be recognized as a leading global marine spare parts supplier, known for reliability, quality, and customer satisfaction. We aim to expand our footprint across new geographies, continuously evolve our offerings, and contribute to the smooth, safe operation of vessels worldwide.

PARTS & COMPONENTS

At Seamork, we specialize in supplying a wide range of genuine, OEM, and high-quality marine spare parts to keep your vessels operating at peak performance.

01

Ship Main Engine Parts

High-quality spare parts for marine main engines, including pistons, liners, cylinder heads, fuel pumps, turbochargers, and sealing components.

02

Auxiliary Engine Parts

Reliable parts for auxiliary engines that power onboard systems, such as fuel injectors, oil coolers, cylinder heads, filters, and gaskets.

03

Marine Pumps & Compressors

Comprehensive supply of marine-grade fresh water pumps, bilge pumps, ballast pumps, air compressors, refrigeration compressors, and impellers.

04

Oil Separators & Heat Exchangers

Parts for purifiers, oil separators, plate heat exchangers, tube coolers, and freshwater generators.

05

Valves & Deck Machinery

A wide selection of durable marine valves, hydraulic valves, actuators, winches, mooring equipment, and hatch covers to support deck operations.

06

Electrical Systems

Spare parts for ship electrical systems, including motors, alternators, switchgears, sensors, control panels, and automation components.

MAKERS & OEM WE DEAL WITH

Seamork Marine partners with leading marine equipment manufacturers and OEMs to ensure our clients receive the highest quality parts backed by global standards. Our partnerships span across Japan, China, South Korea and Europe/U.S.A., bringing together expertise, innovation, and reliability from every corner of the world.

Our Sources - Global Network

We work with a diverse range of manufacturers across Japan, China, and Europe/U.S.A., ensuring access to the best equipment and support. Explore our trusted partners below, organized by region, who help us deliver excellence in every project.

Our Approach

Submit
Enquiry

Quotation &
Discussion

Confirmation
& Delivery

Step 1

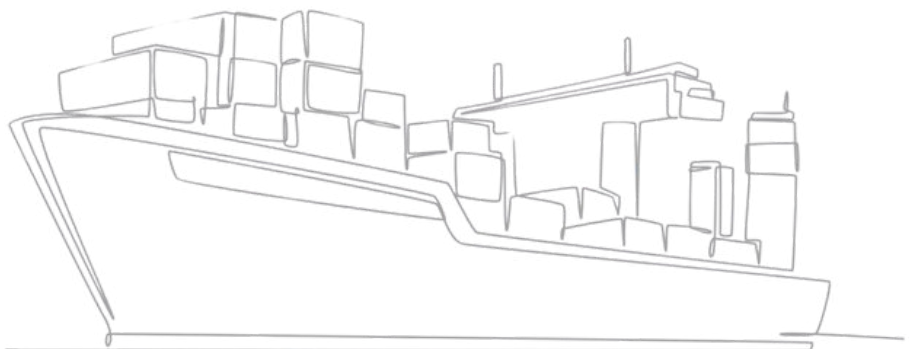

Send your requirements for ship spare parts and marine equipment to our email at sales@seamorkmarine.com Our team promptly acknowledges and reviews your enquiry.

Step 2

We provide a competitive quotation based on your requirements, including OEM/Genuine options for your review. Our team is available to address any clarifications or queries you may have.

Step 3

Upon confirmation of the order we proceed with procurement, packing, and shipping arrangements for on-time delivery worldwide.

Global Delivery

At Seamork Marine, we deliver genuine and OEM marine spare parts to clients across the globe with speed and reliability through a robust logistics network supported by top-tier partners like DHL, FedEx, and trusted freight forwarders. Whether it's a small component or a bulk consignment, we ensure fast, secure delivery via air or sea—right to your vessel or doorstep. From UAE to Canada, India to Europe, our global reach guarantees that your critical ship parts arrive safely and on time.

Whether your vessel is in Dubai, Mumbai, Colombo, Istanbul, or Vancouver, Seamork ensures your parts arrive on time — every time.
